

Infosys Springboard Virtual Internship 6.0

Completion Report

Team Details satyam kumar

Batch Number 7

Start date

Names: <All Interns, names only>

Internship Duration: 8 Weeks

1. Project Title

FutureCoin: Machine Learning-Based Crypto Price Prediction

2. Project Objective

The Cryptocurrency Price Prediction Using Machine Learning project aims to predict future cryptocurrency prices using time-series forecasting. The system will preprocess historical data, build predictive models, and visualize trends to offer valuable insights into future price movements.

2. A system that accurately predicts future cryptocurrency prices using time-series forecasting. It will offer valuable insights into market trends by analyzing historical data and visualizing predicted price movements, helping users make informed decisions in the cryptocurrency market.

3. Project description in detail

Describe the internship project in detail. Include your approach, technology used, impact of this project in real world implementation.

4. Timeline Overview

Week	Activities Planned	Activities Completed
Week 1		
Week 2		
Week 3		
Week 4		
Week 5		
Week 6		
Week 7		
Week 8		

5a. Key Milestones

Milestone	Description	Date Achieved
Project Kickoff		
Prototype/First Draft		
Mid-Term Review		
Final Submission		
Presentation		

5b. Project execution details

Explain in detail how this project was executed

6. Snapshots / Screenshots

Include relevant visuals such as screenshots of work done, dashboards, code snippets, or designs.

(Insert images)

7. Challenges Faced

List and explain any technical, operational, or communication challenges encountered during the internship. Mention how they were resolved or mitigated.

8. Learnings & Skills Acquired

Highlight the key takeaways from the internship. Mention any tools, technologies, soft skills, or domain knowledge gained.

9. Testimonials from team

Share your experience / success points

10. Conclusion

Summarize the overall experience, impact of the internship, and how it aligns with your academic or career goals.

11. Acknowledgements

Thank the organization, mentor, and any team members who supported your internship journey.
